Thursday 10<sup>th</sup> July 2014

Dear Parents/Carers,

The Year 6 children have been working on a charity project with support from the "Go Givers" company. The "Go Givers" company has been helping primary schools around the country to aid the children to become caring, concerned citizens. It gives them the skills and confidence to make a positive contribution to their community.

After a passionate and mature discussion, they chose to support Cancer Research UK, a charity which has many personal connections for our children and their families. The fundraising campaign has been both designed and run by the children.

The children in Year 6 have decided to create a summer fair style event in order to raise money for Cancer Research UK. The pupils have designed a variety of stalls and games for other classes to take part in during the morning of **Tuesday 15<sup>th</sup> July**. There will also be opportunities to buy cakes, gifts and enter competitions. The stalls will be open in the morning and your children will be able to visit them in their class groups. Any money brought in by the children needs to be in a named envelope with the amount clearly visible. This should then be handed to the class teacher during registration.

The children have worked extremely hard for this event and need your support to make it a success. If your children are in year 6 they make ask for help in making items in order to aid their stalls. Please contact any member of the Year 6 team if there are any concerns or queries.

If you wish to make a donation to support Cancer Research UK there will an opportunity to do this during the Celebration Service during the afternoon. Alternatively, please speak to a member of Year 6 staff.

Thank you in advance for your support with this event.

Year 6 Teachers
