

8th January 2015

Dear Parents,

Stuart Day

In our current topic, the children are learning about life and events during the Stuart era. We would like to put on a 'Stuart Day' on Wednesday 21st January 2015.

On our last theme day we were delighted that so many children entered into the spirit of the day and dressed up as ancient Greeks therefore we were hoping that they would enjoy dressing up for 'Stuart Day' too.

Throughout the day, we will be running a carousel of activities involving Drama, Art and Craft.

We hope the activities planned will enhance the children's learning and will lead to another thoroughly enjoyable day.

Thank you for your support.

Yours sincerely,

Mrs Papageorghiou, Mrs Caplan and Mr Caple

- the year 5 team.
