Dear Parents/Carers,

Wednesday 25th February 2015

Regretfully, due to a lack of interest (only 16 responses) we have to cancel the planned reading workshops, due to be held this evening.

This is a great disappointment to us as improving reading is a huge focus within the school at the moment. The workshops were arranged as a result of feedback from parents on how the school can support you with helping your child at home.

Some parents have said that it was too short notice although the dates were sent on a number of letters in January and early February. We hope to reschedule the evening and would welcome input from parents as to the best time of the year to hold this. We wish to give you further support and would welcome feedback from you about how we can do this, via the slip on the bottom of this letter.

If the parents who did respond would like to contact their relevant phase leader (Mrs Collins – Early Years, Miss Askham KS1, Mrs Humphreys/Miss Hamilton KS2) or Mr Caple, they will be able to give you further information and support materials from the planned evening.

Yours Sincerely

Mr Jon Fox
Headteacher.

Please use this space to outline further support that you would like the school to try to provide, in order to help you support your child at home (continue over the page if necessary).
