Deputy Head: Mrs J Ashley-Jones B.A (Ed) Hons

Dear Parents/Carers

10th March 2015

On Wednesday 6th May Dr Glen Chilton and Dr Krista Halling will be visiting Reculver. Dr Chilton is a university scientist who studies birds and writes books about travel and nature and Dr Halling is a veterinarian who specialises in surgery on dogs and cats.

Starting on the 21st of April they will begin a project called 'Falling down the Thames' for which they will be canoeing and kayaking a stretch of the Thames from Kemble, Gloucestershire to Richborough in Margate.

During their journey they will be visiting the children of Reculver to tell them about their adventures.

On the 5th of May Mr Fox will even be joining part of their journey when they paddle out to the Maunsell Sea Forts and back!

They have asked for the help of Reculver School to make a small boat that will attach to the back of their canoe to carry soft toys of the main characters from Wind in the Willows.

If you have any skills, resources or know of anyone who would like to help us with this challenge, it would be much appreciated.

Please let us know,

Mr Farrant and Mr Caple
Year 2 and Year 5 Teachers

FALLING DOWN THE THAMES
TWO FRIENDS | A RIVER | AN ADVENTURE
