'Sharing your child's learning' afternoon

Thursday 21st May 2015

Dear Parents/Carers,

This year, with the introduction of the new National Curriculum, we have introduced a new, cross curricular topic based curriculum, which is exciting and inspiring both the teachers and children alike. We would like parents to have more opportunity to share in their children's learning experiences and to see the children at work in their classrooms, a chance that you do not often get. This will also be an opportunity for the children to share the work in their books and the displays in their classrooms with you.

Therefore, every term (Terms 1-5) we will be having a **'sharing your child's learning'** afternoon. The first of these will be on **Thursday 21st May from 1.30pm until 2.45pm**. Please feel free to join your child's class for some or all of the afternoon.

This term, Year 6 have arranged a Dragon's Den style event which will be the culmination of the term's enterprise topic. This will take place on the same day in the hall and we will need your assistance to help us to judge the most successful product! If you have children in more than one year group, we would ask that you visit Year 6 in the hall before making your way to other classes.

In Term 6, we'd like to invite you to 'Open Afternoon' **on Monday 13th July from 2.30pm – 4.30pm**.

This will be an informal opportunity to look at your child's work, to speak to the class teacher about the school report that you will have received and to meet your child's new class teacher for the 2015/16 academic year, and visit their new classroom.

We look forward to seeing you on one or both of these days so that you can see the progress that your child and the school in general have made.

Yours Sincerely

Mrs Jenny Ashley-Jones
Acting Headteacher
