Communication

In line with most other schools, as well as to save costs on paper and printing and to help the environment, we will be going across to electronic communication from September. In an age where most of us have mobile devices or access to a computer, we feel that this is a fail-safe way of ensuring that all communications reach home.

Therefore, we would like you please to send us an e mail to "emailsetup@reculver.kent.sch.uk" from your preferred email address with the subject 'e mail address' stating your child's name and class as the content of the e mail along with the words "New in September". Please can this be done by Friday 10th July. We will test the system during July to ensure everyone is ready to receive e mails come September.

If you have any problems please contact me via the school office.
