Dear Parents/Carers

Uniform Stock Sale

The school have made the decision not to stock and sell school uniform anymore and as a result of this we are selling what we have left at a reduced cost to parents. Please be assured that the Reculver School uniform is not changing when we convert to an Academy.

You will still have the option to buy uniform from the local supplier in the town and also on-line, direct from School Trends. Before the end of July there will be a link from the school web site direct to School Trends where you can view and purchase all your uniform requirements. We will also be offering the convenience of having your order delivered to school (free) where you/your child can collect it from the office, however all returns will need to be made direct via the post office. See attached leaflet for more information.

Please see the table below for sale prices and be aware all stock will be sold on a first come first served basis. All orders must be accompanied by the full payment. Please complete order form on the reverse of this letter and return as soon as possible.
