Dear Parents/Carers

As you know Mr Moskovits became ill prior to Christmas and has been unable to return to school since. I am now in the position to be able to inform you that he has left the school, due to personal reasons. He will be missed by all the staff and children he has taught in the time that he has been teaching here at Reculver CE Primary School, and I am sure that you will join with me in wishing him all the best for the future.

The children in the Wiggly Worms class are now really well settled in their class with Mrs Berry. They have responded so well to the morning learning groups and I do not wish to cause any further disruption to them. The initial interim arrangements have worked incredibly well and we have now employed 2 additional adults to support Mrs Berry and the children, Miss Amie Stanley and Miss Georgina Glithero. It is for this reason that I have decided not to take on a supply teacher for the final 2 terms. I believe that introducing a new supply teacher who does not know the children and does not know the school policies and routines would be detrimental to the children's emotions and would in turn have a negative impact on their progress.

As parents and carers of the children in the Wiggly Worms class you have all been very patient and understanding of the school and the difficult decisions that have needed to be made. I would like to thank you all for your support and I hope that I can rely on this in the future. I can honestly say that I have seen these children progress well, blossom and grow over the past few months and I am confident that this will continue for the rest of the school year.

If you have any worries or concerns about your child please do not hesitate to contact me. I am happy to help in any way that I can.

Yours sincerely

Mrs Stella Collins
