

JOIN YOUR PARENTS' COUNCIL

The Parents' Council (parents, grandparents, carers etc) has been established to enhance communication between Reculver School and its parent body. The school wants to give parents and carers an opportunity to voice issues, and to assure them that these issues are heard and in turn respond with feed back to the parents.

The Parents' Council acts as a forum for parents' concerns, and wishes, for the future of the school.

Meetings are held twice termly on a Friday afternoon from 1.30pm to 3pm. You can find more information on the school website

If you have the time, please join us as we always need new parent voices and aim to represent all year groups within the school.

Just fill in the form below...

PLEASE COMPLETE, TEAR OFF AND RETURN TO THE SCHOOL OFFICE
