30th September 2016

Dear Parents and Carers,

This year we have some exciting and engaging topics planned. To support the children's learning we would like to arrange some activity days and shows linked to these topics. By giving you this information early we hope that you will be able to be prepared for the planned costs throughout the year. In order to arrange these events we have to ask you to contribute towards the cost and we would be grateful if you would express below your willingness to do this. Unfortunately if we are unable to collect sufficient funds from you to cover the cost, we will not be able to proceed with organising these events.

Firstly we would like to book the Astrodome show for our Reach for the Stars topic on Earth and Space this term. This would cost approximately **£3.00 per child**.

In Term 2, we would like to have a Greek Day. The added cost for this would be for firing the masks the children will make and the cost of buying the Greek food for the children to taste. Which we would estimate a cost of **£2.00 per child**.

To enhance the children's scientific understanding we hope to attend the Science Jamboree at Pfizers which cost **£6.50 per child** (for the cost of the coach). We would also like to arrange a trip to Howletts Zoo next July as part of our Life Cycles unit. This will cost in the region of £17.00 per child. If however, you have a family pass then the cost will be just for the coach.

Please complete the attached form indicating your willingness to contribute to the cost of these events. These experiences really help to embed the learning that we do in school.

Thanking you in anticipation.

Yours sincerely,

Mrs Papageorghiou and Mr Depradines

I am willing to contribute to the cost of: (please tick)

Astrodome _____

Greek Day _____

Science Jamboree _____

Howletts Trip _____
