Dear Parents/Carers

Morning Routines

It has been delightful to see that the children have been coming into school so well and the teachers and I are all really proud of how confident and independent they are becoming. I have noticed that several children are happy to come into school by themselves which is fantastic. So with effect from **Tuesday 11th October**, if your child is happy and confident to wait outside their classroom door **by themselves** between 8.30 am and 8.40 am then this is absolutely fine. There will be a member of staff waiting outside the classes to watch over them.

If you arrive early and would like to continue to wait with your child until the classroom doors open at 8.40 am, please remain in the waiting area just inside the main front gate.

Yours sincerely

Mrs Stella Collins
