Dear Parents/Carers,

Costings and Feasibility for Year 6 Bikeability 2017

We are looking at the feasibility of Bikeability for May 2017. Bikeability is a new and much-improved version of the classic Cycling Proficiency Test. The training will be delivered by CyclingAge CIC - a local Bikeability Accredited scheme organisation (www.CyclingAge.co.uk). The course is partly funded by East Kent & Coastal Schools Games Partnership but unfortunately funding has been cut this year, increasing the cost of the course within schools.

The proposed 5 day course will run the week commencing 22nd May 2017 and will cost between £20.00 and £25.00 per child (£4 - £5 per day), depending on uptake in numbers. The course begins with a Bicycle Service to ensure that children's bikes are roadworthy (basic adjustments will be made if required and small parts replaced where necessary) and continues to include skills exercise games on the playground. This will then be followed by basic manoeuvres on local roads. Trainees will work in pairs with one instructor for each road session.

Whilst it would be preferable for your child to use their own bike, if your child's bike is too small, or we are unable to get it to a roadworthy condition, or they don't have a bike at the moment, we will be happy to lend your child a bike so they can take part in the course. We will also have a limited number of helmets to lend.

In order to plan for this event, we need to know whether you are prepared to pay the cost of the course for your child. Please return the parent commitment to pay slip by Wednesday 3rd May at the latest.

Yours sincerely,

Mrs J Ashley-Jones

Headteacher

Year 6 Bikeability 2017- Parent Commitment to Pay

Child's name _____ Class _____

I am willing to pay the cost of £20 – 25.00 for my child to take part in the Bikeability Course (Please circle) **Yes/No**

Signed _____ Parent/Carer

Name _____
