

Andrew Clover - Author Visit

Andrew worked with a group of Able Y3 & 4 Writers from Reculver and surrounding schools in July 2017. Not only did he entertain them with his acting skills, he also taught them some new writing tricks and guided them through the creation of a spooky story with lots of twists and turns. New to the children's toolkit was the idea of *bathos* where the story build up to a dramatic climax....which never comes! They also revisited simile, metaphor, onomatopoeia, alliteration and personification. Asked if they would like to work with Andrew again, they replied: "Definitely!"

Planning story ideas....

Improvisation and drama during story-making workshop.

Andrew Clover gets a warm Reculver welcome!
