Friday 8th May 2015

Dear Parents/Carers,

We are delighted to enclose a copy of our recent school SIAMS inspection report: the Statutory Inspection of Anglican and Methodist Schools which takes place every three to five years.

We have received an overall grading of **good**, with two areas out of three judged as **outstanding** and in the words of the inspector '**the school has made very significant progress since the last inspection....**'

I believe the report really captures the vision and ethos of our wonderful school and particularly the values and attitudes which underpin every element of our everyday practice. It also recognises the huge progress that the school has made since the OFSTED inspection 2 years ago.

I would like to thank all the staff, children, I.E.B members and parents that were involved in the inspection but particularly Mrs Swansbury, our Church Distinctiveness leader, whose tireless work has been recognised in the positive comments within the report. I believe that this report gives a true reflection of what life at Reculver School is really like each day and we are delighted that the report identifies what a happy school this is, where children really do truly flourish. The report also identifies the many strengths within the school, that there is much outstanding practice and there is the capacity to improve further in the future.

This is a great recognition of the hard work that has been undertaken by both the staff and children and the progress that we have made in our continuing drive to be an outstanding school. For this, we are very proud and as you read the report, we hope that you share this pride.

With my very best wishes,

Jenny Ashley-Jones
Acting Head Teacher
