Dear Parent/Carer,

RE: Changes to Data Protection Law

You may be aware that from May, the rules around data protection changed. The 'General Data Protection Regulation' (GDPR) will change how we can use your personal data and keep it safe, and will also strengthen your rights over your own data.

The point of this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure we remain compliant.

We have updated our privacy notice and have included the Privacy Notice for Parents/Carers in this pack. It can also be found on our website at www.reculver.kent.sch.uk under policies. If you require a copy, please contact the school office.

As part of our work to comply with the GDPR, we are also re seeking consent for using photographs of your child on our website, internal displays or other school materials/other consent request. We have enclosed this form, and would appreciate it if you filled this out and returned it to the school office by Friday 29th June 2018.

If you have any questions about how the GDPR affects you, or how our school is preparing, you can contact Tracey Howard our Data Protection Officer.

Yours faithfully,

Mrs Jenny Ashley-Jones
Head Teacher
