TUESDAY

LEGO CLUB YR 1/2 – MRS LITCHFIELD

In Lego Club we have a weekly project to test our powers of creativity. The children either work collaboratively or independently to design a model to fulfil the brief. We then have time to discuss our projects and explain all the brilliant ideas. The projects are open ended to encourage the children to be as imaginative as they wish.

MINDFULNESS CLUB YR 1 – 4 – MISS CUNNINGHAM

The Mindfulness club will include experiencing relaxing breathing exercises, as well as sharing calm down tools and other relaxation techniques. We aim to help children to feel more confident about who they are and to develop resilience techniques, linked to the Zones of Regulation, to raise their esteem and positivity.

YOUNG VOICES CHOIR YR 3 - 6 – MISS MADGE (£10)

This club enable children to take part in the world largest school choir at the O2, they will achieve this with all their school friends around them for support, it helps their self-belief, self-motivation, confidence, and ability to communicate as part of a team - which is invaluable! Children will sing in rehearsals every week up to the O2 visit – we ask for a £10 commitment for this club, this payment will go towards your child's coach travel on the day.

ECO CLUB YR 3-6 – MISS HAMILTON AND MR CAPLE

During this school year, Eco Club's focus will be on reinvigorating the old pirate ship area on our school field. We will be working very closely with Appleoak Landscapers on developing the area into an allotment, reflection and sensory area. The children will be involved in designing, creating and maintaining the features and plants in this area.

FOOTBALL CLUB YR 3/4 – MR BARKER AND MR WARE

Come along and hone your skills at Football Club! All abilities welcome, whether you're keen to become the next Ronaldo or Messi come and join in the fun with Mr Barker and Mr Ware.

AFTER SCHOOL CLUBS TERMS 1 AND 2 - SEPT 2019

WEDNESDAY

NATURE CLUB KS2 – MR HEATH

The Nature Club gives children the chance to experience the wealth of wildlife that inhabits the Reculver School grounds, from learning to identify birdsongs to recognising them. Different insects, butterflies, dragonflies – there is so much to learn about the natural world around us. Pupils will have the chance to learn some basic wildlife photography, take part in a trip to Reculver Towers and seawall and help look after the butterfly caterpillars and understand their lifecycle. If you are interested in British nature, this would be an ideal club to attend.
