Parent Questionnaire 2014

Dear Parents/Carers,

Each year we send out an annual questionnaire to all our parents/carers. We use an analysis of the results to help us track progress and set future targets. We are continually evaluating our performance, acknowledging our successes and also recognising that there are things that we need to improve.

Your views about the school are important to us. We appreciate and value all feedback so that we can continue to improve the quality of education which we provide for your child/ren.

The information we receive from the questionnaires will help us to determine the priorities for the year ahead and the longer term. The information will be discussed at Staff Meetings and I.E.B Meetings and will help inform the basis of the School Improvement Plan.

We would be grateful if you could spend a little time completing the attached survey and return it to school by **Wednesday 12th February**. The results will then be fed back to you via the school newsletter, with a detailed analysis posted on the school website.

Yours sincerely,

Mr Jon Fox
Head Teacher
