H.M.I Monitoring Visit 2: Special Measures Monitoring Inspection Report

Parents 'Question and Answer' Information Evening

Monday 13th January 2014 at 5pm

Dear Parents/Carers,

Following our second H.M.I inspection, since the school was judged inadequate and placed into special measures, we would like to invite you to a meeting with the school leadership team and the I.E.B (The Interim Executive Board of Governors).

The purpose of this meeting will be to address any questions that may have arisen from the report which was published in November, as well as to give you a summary of what has been achieved over the previous term towards our improvement targets.

If you have a question that you would like to be addressed, we request that you submit it in advance, using the slip below. This will ensure that we have all data or information to hand on the evening in order to fully answer all questions in detail. We will then also be able to target pertinent questions to individuals from the school or the board with specific responsibility for that area of work. Please return your questions to the school office by Thursday 9th January 2014.

We hope that you will be able to attend.

Yours sincerely,

Mr Jon Fox - Head Teacher
