Friday 2nd July 2021

Dear Parent/Carer,

Reculver CE Primary School is participating in The Wellbeing Award for Schools (WAS).

This has been developed in partnership with the National Children's Bureau (NCB) and is intended to help schools prepare and equip themselves to promote emotional wellbeing and positive mental health across the whole school community.

Evidence shows that wellbeing is of central importance to learning and attainment. NCB advocates the use of a 'whole-school approach' where all aspects of the school experience are harnessed to promote the emotional wellbeing and mental health of pupils and staff. It is an approach where emotional wellbeing and mental health is 'everybody's business'.

At Reculver CE Primary School, we pride ourselves on supporting all members of our community with their emotional wellbeing and mental health and the Wellbeing Award for Schools is a welcome opportunity to recognise the exceptional work that schools do in this area. The key features of a whole-school approach form the basis of the award, and it provides our school with a benchmark of best practice against which to test itself.

We will be sending out evaluation forms to pupils, parents/carers, staff and Governors in the near future which when completed will help us reach our goal of achieving the Wellbeing Award.

Thank you for your help in this endeavour.

Best wishes,

Mr Paul Grainger

Wellbeing Manager
