Attainment Reports for Term 2

Dear Parents/Carers,

At the end of school on Monday, your child will be bringing home their first attainment report of the year so please look out for this in their book bags.

The intention of these reports is to give you a snapshot of how your child is progressing within their class, in line with the national expected levels of attainment for their year group programme of study in reading, writing and mathematics.

There is an explanation on the document of what the report is telling you about your child's current attainment, but if you do not understand the report or are concerned about the grades that your child has been assessed at, please do make an appointment before the end of term to see your child's teacher. The reason why we send them out at the beginning of the final week, rather than on the last day of term, is to give parents and teachers an opportunity to discuss the reports if needed.

There is also an update on your child's attendance on the reports. There are a few children who we are concerned about at present, where their levels of absence are now impacting on their attainment. We will, as we have done in previous years, be inviting parents to an attendance meeting in Term 3 where attendance is deemed a concern to us, to try and improve this into the future.

I hope that you find the reports informative and do contact your child's teacher – either on the playground or via the office, should you require any further information.

Yours Sincerely

A handwritten signature in black ink that reads 'J Ashley-Jones'.

Mrs Jenny Ashley-Jones - Headteacher
